If a resolution is not possible and the student continues to be disruptive, he/she will be asked to go to the Office. Dear Families,

The catechetical formation of each child is a partnership between the family and the parish. Communication and community are the keys to that partnership. Through the use of mailers, calendars, and notices our office is trying to keep you informed and up to date. Also, we have an established a Facebook page and a website [www.sainttheresaattleboro.org](http://www.sainttheresaattleboro.org).

This handbook is a guide for parents/guardians, students, and catechists involved in the Religious Education Program at St. Theresa of the Child Jesus. The policies and guidelines will enhance the communication of the program's goals to all parties involved in this faith journey.

**Parents and guardians are urged to discuss the expectations of the program with your children.** Knowledge of the policies and guidelines will help achieve the goals of our religious education program and provide a foundation for success for all of our students!

I would like to thank the many volunteers who make our children's faith formation a success! Without the countless hours given by volunteers and parental support, we would not be able to provide this vital program that enhances our children's development as Christians.

God Bless,  
Nancy Hale  
Director of Religious Education
